

SET UP INSTRUCTIONS

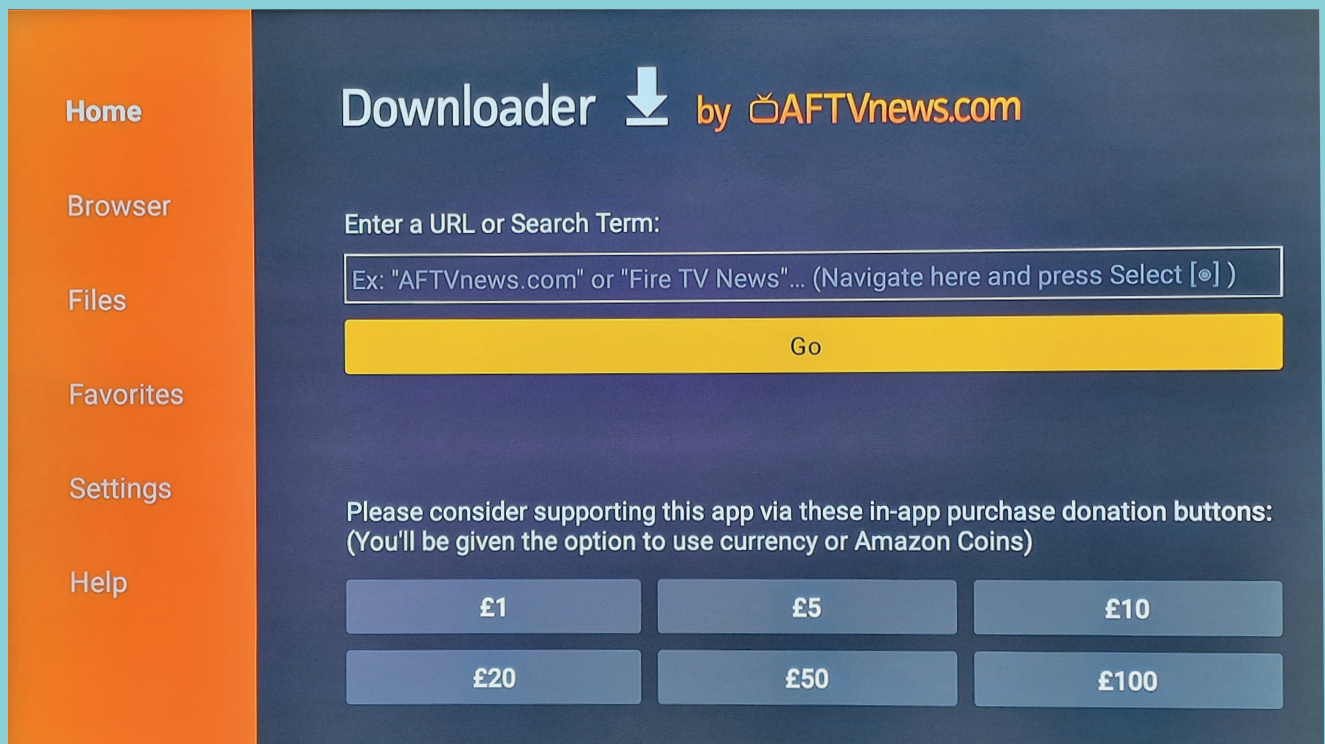

HOW TO INSTALL AN ALTERNATIVE STANDARD APP ONTO FIRESTICK

1. Once you have set up your Firestick with the **Downloader** app, this will enable you to download a standard app onto your Firestick.
2. Open Downloader app and type the link we give you into the **Downloader** box where it says "Enter a URL or Search Term".

Enter short code: **747983** or **<https://bit.ly/glorysmartapp>**

This will install the app. Once app is installed it will ask you to choose your **Device Option**, choose **TV**.

Then it will ask for your username and password, as you have already paid for your chosen subscription, your username and password are the same as before.
